in the Parish Hall

The Healing Ministry at All Saints Church is pleased to announce that Dr. William (Bill) Reed will be the Guest Speaker at our upcoming Healing Mission on January 16th and 17th. We had a great response from those who heard Dr. Reed speak at our Healing Service back in September.

Dr. Reed attended the University of Michigan for his premedical, medical, and surgical training. He served in the U.S. Navy from 1942-1948, part of this time was on sea duty in the Pacific. He has been a surgeon and physician for over 60 years.

Dr. Reed is an active Christian, a writer, a poet, singer, and a lecturer. He founded Christian Medical Foundation in the US and Canada. He has been involved in surgical missions to Guatemala and Ethiopia. His books are [A Doctor's Thoughts on Healing](#) and [Surgery of the Soul](#). Dr. Reed lectures for the Camps Farthest Out, The Ashram Movement, Faith at Work, and he is a member and speaker for the Order of St. Luke the Physician, since 1958. He serves as Chaplain for the Naval Airship Association, Inc. Dr. Reed is also a member of the Tampa Oratorio Singers.

Dr. Reed will be speaking of the Healing Love of Jesus towards all of us along with personal testimonies of our precious Lord's healing love. He plans to speak of his son Rob's wondrous healing and what this did for him in his early life as an Episcopal surgeon in Michigan. Dr. Reed will also tell of his personal observations as a Christian surgeon throughout his life as a Believer in Divine Healing. He has some wonderful testimonies from his patients and his own personal testimonies of God's healing power at work. Dr. Bill and his wife, Coppi, are praying for the miracle working healing virtue of Christ Jesus to be with us all in a most wonderful healing way on January 16th and 17th.

Dr. Reed is a dynamic speaker, author, and lecturer who recognizes the Lord Jesus Christ as our Healer. Please bring your family and friends.

GIFTS TO: THE HEALING MINISTRY at ALL SAINTS CHURCH, Winter Park

Funding of The Healing Ministry at All Saints Church, Winter Park, is independent from the parish budget of All Saints Church. The Healing Ministry relies primarily upon contributions made at the Tuesday evening Healing Services and by donations made during visits to *The Glennon House*. The operating costs of *The Glennon House*, its staff, prayer ministry, healing missions and some specially acquired guest teachers, are derived from those generous donations and contributions.

Healing Thoughts - **Heart Vision** - Dr. William Reed

"Because I have heard of your faith in the Lord Jesus and your love toward all the saints (the people of God), I do not cease to give thanks for you, making mention of you in my prayers. I always pray to the God of our Lord Jesus Christ, The Father of Glory, that He may grant you a spirit of wisdom and revelation in the deep and intimate knowledge of Him, by having the eyes of your heart flooded with light, so that you can know and understand the hope to which He has called you." Ephesians 1: 15-19 - Amplified Bible.

When a surgeon completes his surgical procedure, he sees in his mental vision the healing and the normal functioning of the area of the patient that he has endeavored to correct and make well. He has done his best to restore health and normality to his suffering patient. He has in his mind the consecration of his imagination that he has done his best to heal his sick patient.

Similarly when a person with illness or hopelessness comes to the Healing Service at All Saints Church he lays his problem at the feet of Jesus asking our Savior to give him healing and normality. In his inner being he sees himself being healed by the love and power of his Savior. Jesus has said to him *"Come unto Me, all you who are weary and heavy laden and I will give you rest."* By faith he has come to All Saints, to the altar or to Glennon House, so that Jesus in this place of healing can wonderfully make him or her well and whole. All Saints is a place of hope and a place where Jesus can be touched and His love can make one well and happy in the area of existence we have entered, we call this "newness of life."

In our healing conference we shall consider the Healing virtue of Jesus, His power, His hope and His constancy. Jesus is always the same "yesterday, today and forever" - Hebrews 13:8. He will never leave us or forsake us. His love and healing power are constant. We shall be looking unto Jesus - the author and finisher of our faith. We shall consider instances of God's healing love in our lives and we shall share Christ's healing love with whom-so-ever will. Bring your need or the needs of your loved ones to All Saints and we shall share with you Jesus, our Messiah's healing.

*"All the old things have passed away, behold, all things have become new."
II Corinthians 5:17.*

William Standish Reed, M.D., M. S. (Surgery). OSL.
